APR 05 2001

TECHNOLOGY CENTER R3700

Dear Sir:

Entry of this preliminary amendment prior to the examination of the instant application is respectfully requested. Please amend this application as follow:

In the Claims

Please amend claim 8 as follow:

8. (Amended) A (single-piece) plant pot apparatus, comprising:  
a pot body, the pot body having side wall(s) and a bottom wall; and  
at least one leg (connected ) built into the pot body at a first end; and  
the pot body and the at least one leg being filled with a fluid absorbing material; and  
the at least one leg having side wall(s) and a ( base portion ) bottom wall at  
a second end of the leg, and at least one hole disposed on the bottom wall of the leg, the
